Calpe

JADE 2 consists of two residential towers of fifteen floors on the main avenue of Calpe, 200 metres from Playa del Arenal beach. Nothing will be built in front of the plot, so every home has a view, and from the seventh floor the views over the sea and the Las Salinas nature area are completely open.

The development offers apartments with two and three bedrooms and two bathrooms, all with a generous terrace, and on the top floor two penthouses with four bedrooms. An underground parking space and a storage room are included in the price. The communal facilities are extensive: two swimming pools, one with a beach entry, sun lawns, a padel court, a gym, two jacuzzis, gardens, a children's play area and bicycle parking.

04 · THE AREA

What you will find around Calpe

Calpe is defined by the Peñón de Ifach, a rock of 332 metres rising straight out of the sea and protected as a natural park. Two beaches lie on either side, and between the rock and the town are the old salt pans where flamingos winter. The old fishermen's quarter with its painted houses lies inland.
