Cumbre del Sol

Villa Infinity is situated in one of the most prestigious plots within the Jazmines residential estate. It is a residence with a contemporary design that appears to float on the Mediterranean. Its elegant architecture, with picture windows that span the entire façade, opens the interior to the landscape and light, creating a constant feeling of spaciousness and connection with the environment. The house is designed on several levels, adapted to the sloping terrain, making the most of the views of the sea and the Portet de Moraira natural park.
