Cumbre del Sol

Villa La Isla is situated on an exclusive plot within the residencial Jazmines estate in Cumbre del Sol. It is a house that combines contemporary luxury, functional design and a fabulous location facing the Mediterranean. Its name evokes isolation in the best sense: a secluded place, quiet and connected to the beauty of the landscape. Its modern architecture, with straight lines and noble materials, adapts to the uneven terrain seamlessly and multiplies the views with large windows and terraces that face the horizon. The interior spaces are designed to flow naturally. The main floor features an open and bright daytime area, where the kitchen, dining room, and living room are seamlessly integrated.
