Benissa

Set on an exclusive plot in Residencial Racó de Galeno, Villa Alora is a home of contemporary architecture, designed to sit within the landscape and to maximise natural light, privacy and open views over the surroundings. The composition of white volumes, horizontal lines and large expanses of glass creates an elegant and timeless aesthetic, reinforced by generous outdoor terraces. The villa is arranged over several levels, adapting to the slope of the plot and making the most of its orientation. The main floor brings the living areas together in one generous open space, with a living and dining room connected directly to the outdoor terrace and the pool.
