Cumbre del Sol

Villa Brisa del Mar stands on a privileged plot in the exclusive Jazmines residential estate, not far from Moraira. It stands out for its contemporary architecture with clean lines, integrated in complete harmony with the natural surroundings of the Mediterranean coast. The façade combines noble materials such as stone and wood, which add warmth and character and contrast with the flawless white of the pure volumes. The interior of the house has been designed for maximum connection with the landscape and the sea. From the bright, open living area with lounge, dining area and open kitchen there is direct access to the large terrace, which runs the full width of the façade.
