San Telmo

Visit the new show house. Eclipse is an exclusive project of 20 apartments in San Telmo, a village with a lot of history on the south-west coast of Mallorca. The apartments will have two communal swimming pools, one for children, and landscaped gardens where you can enjoy the wonderful Mediterranean climate. All this is just 100 meters from the nearest beach cove. South-east facing Eclipse apartments will have three double bedrooms and two full bathrooms. The open living room with integrated kitchen maximizes the amount of natural light and the feeling of spaciousness. The ground floor apartments will have large terraces with a veranda and private gardens.
