El Verger

Rustic plot with building project located in a lovely natural setting on the outskirts of both towns, El Vergel and Els Poblets with views of the Segària mountain range, only 2 km from the Mediterranean coast. The completely plot is easily accessible from the Partida Buscarrons road. From its large extension all the adjoining houses are in a distant plane, giving privacy to the house and its immediate surroundings. This remoteness allows the plot to be used to its full potential, not only in terms of sunlight and orientation, but also in terms of views. To the South the Segària mountain range rises imposing and close. On a distant plane the impressive Montgó massif emerges to the East.
