Finestrat

Nature is a new housing project consisting of terraced houses with 3 bedrooms, in Balcón de Finestrat, a quiet and well-kept area on the Costa Blanca, close to Benidorm and the Puig Campana golf course. An ideal location with a combination of natural beauty, the sea and all kinds of amenities, ideal for those looking for quality of life near the Mediterranean Sea. The houses have a modern and functional design with large open spaces. On the ground floor we find the kitchen, which flows into the living-dining room, creating a spacious and wonderfully bright space. There is also a guest toilet here.
