Cartagena

In the heart of La Manga Club, one of the most prestigious residential and sports complexes in Europe, we find Siena: a new construction project for those looking for a relaxing lifestyle in contact with nature, close to a golf course and a few minutes from the coast. The residential complex has been designed for well-being and enjoyment of the outdoors, with communal areas including a communal swimming pool, gardens with native plants that blend with the natural environment, a playground, gym and a multi-functional function room. Siena offers a wide choice of homes, suitable for different living spaces.
