ABOUT THIS PROPERTY

Dénia

Sora, a new construction project in one of the quietest and most sought after areas of Denia: La Pedrera. A privileged piece of land between the mountains and the sea, ideal for those looking for quality of life, nature and living close to the center. The residential complex consists of 86 exclusive apartments spread over six buildings and two construction phases. All this in a private residential area where comfort and quality of life are paramount, with communal areas designed to enjoy the outdoors: communal swimming pools, gardens with native plants that blend into the natural environment, a playground, gym and multi-functional hall space.
